

Sporting Club Canteen Workshops Summer Sports 2010/2011

The Western Australian School Canteen Association Inc. (WASCA) is offering Fuel to Go workshops for sporting clubs with food service outlets/canteens.

The workshops run for 2 hours for food service/canteen managers enabling them to:

- Assess their current menu using the Traffic Light System
- Discuss options for improving food and drinks being offered
- Receive a copy of the Star Choice™ Buyer's Guide, which includes details of suppliers and distributors of 1000 healthier food and drink products.
- Benefit from having qualified nutritionists to answer any questions and give practical advice

Workshops are being planned NOW for all interested sporting clubs preparing for 2010/2011 summer sporting season. The cost is \$100 per club and each club can nominate up to 3 participants.

Each club will receive the following:

- Fuel to Go Manual (valued at \$44.00)
- Star Choice™ Buyer's Guide

Please forward this information to any club or organisation that might benefit from attending a workshop.
